

National Drug Secretariat

Prime Minister's Office

***(Rodrigues, Outer Islands and
Territorial Integrity Division)***

Main Roles & Responsibilities

National Drug Secretariat

- Ensure the overall coordination of all drug control activities in Mauritius for greater collaboration and synergy among partners, with a view to achieve greater results and impact;
- Advise the Government on the adoption of evidence-based drug policies, strategies and programmes;
- Promote regional and international cooperation to decrease drug trafficking in the region;
- Develop the implementation Framework and Monitoring Mechanism of the National Drug Control Master Plan; monitor its implementation and evaluate it; and
- Manage the National Drug Observatory, in collaboration with Government and NGO stakeholders to collect, analyse data and publish a brief statistical and analytic bulletin on a quarterly basis and a comprehensive National Drug Observatory Report annually to monitor types, patterns and trends in drug trafficking and drug use, as well as meet the country's international reporting obligations.
